updated 7. 11. 2023 | published 7. 11. 2023

## Summary

new chunky joints

[3D Printers](#) > [Creality Parts & Upgrades](#)

Tags: [creality](#) [gantry](#) [k1](#) [xyjoiner](#) [k1max](#) [vfa](#)  
[crealityk1](#)

this mode was made to try to reduce the VFA

in combination with a special belt i made for the K1 and the Bambulab printers ... 8mm belt

kindly refer to the description in the YT Video for details.
